> Re: Hesai Group Draft Registration

Statement on Form F-1

2021

Submitted July 2,

CIK No. 0001861737

Dear Dr. Li:

We have reviewed your draft registration statement and have the following comments. In

some of our comments, we may ask you to provide us with information so we may better

understand your disclosure.

Please respond to this letter by providing the requested information and either submitting

an amended draft registration statement or publicly filing your registration statement on

EDGAR. If you do not believe our comments apply to your facts and circumstances or do not

believe an amendment is appropriate, please tell us why in your response.

After reviewing the information you provide in response to these comments and your

amended draft registration statement or filed registration statement, we may have additional

Draft Registration Statement on Form F-1

Cover Page

Please revise the 1. prospectus cover page to disclose the percentage ownership and voting power held by your officers, directors and principal stockholders as well as a brief discussion of the respective voting rights of your Class A and Class B ordinary shares. Provide prominent disclosure about the legal and operational risks associated with being based in and having the majority of the company s operations in China. Your disclosure should make clear whether these risks could result in a material change in your operations Yifan Li FirstName LastNameYifan Li Hesai Group

2021 Group

August

Page 2 13, 2021 Page 2

FirstName LastName

and/or the value of your ADSs or could significantly limit or completely hinder your

ability to offer or continue to offer securities to investors and cause the value of such

securities to significantly decline or be worthless. Your disclosure should address how

recent statements and regulatory actions by China s government, such as those related to

the use of variable interest entities and data security or anti-monopoly concerns, has or

may impact the company s ability to conduct its business, accept foreign investments, or

list on an U.S. or other foreign exchange. Your prospectus summary should address, but

not necessarily be limited to, the risks highlighted on the prospectus cover page.

Prospectus Summary, page 1

3. Disclose each permission that you or your subsidiaries are required to obtain from Chinese

authorities to operate and issue these securities to foreign investors. State whether you $% \left(1\right) =\left(1\right) +\left(1\right) +$

or your subsidiaries are covered by permissions requirements from the CSRC, CAC or $\,$

any other entity that is required to approve of the company's operations, and state $% \left(1\right) =\left(1\right) +\left(1\right)$

affirmatively whether you have received all requisite permissions and whether any

permissions have been denied.

4. Disclose that trading in your securities may be prohibited under the $Holding\ Foreign$

Companies Accountable Act if the PCAOB determines that it cannot inspect or fully

investigate your auditor, and that as a result an exchange may determine to delist your $% \left(1\right) =\left(1\right) +\left(1\right) +\left($

securities. If the PCAOB has been or is currently unable to inspect your auditor, revise $\,$

your disclosure to so state.

Our Innovative Approach to TX/RX Design, page 4

5. Please disclose the period over which you have shipped over 10,000 units of LiDAR.

Risks Related to Doing Business in China, page 9

6. In your summary of risk factors, disclose the risks that being based in and having the $\ensuremath{\mathsf{I}}$

majority of the company s operations in China poses to investors. In particular, describe

the significant regulatory, liquidity, and enforcement risks with $\ensuremath{\mathsf{cross}\mathsf{-references}}$ to the

 $% \left(1\right) =\left(1\right) +\left(1\right) +\left($

discuss risks arising from the legal system in China, including risks and uncertainties

regarding the enforcement of laws and that rules and regulations in $\operatorname{\mathsf{China}}$ can change

 $\mbox{\tt quickly}$ with little advance notice; and the risk that the Chinese government may intervene

or influence your operations at any time, or may exert more control over offerings

conducted overseas and/or foreign investment in China-based issuers, which could result

in a material change in your operations and/or the value of your ADSs. Acknowledge any $\,$

risks that any actions by the Chinese government to exert more oversight and control over $% \left(1\right) =\left(1\right) +\left(1\right) +$

offerings that are conducted overseas and/or foreign investment in China-based issuers

could significantly limit or completely hinder your ability to offer or continue to offer $% \left(1\right) =\left(1\right) ^{2}$

securities to investors and cause the value of such securities to significantly decline or be

worthless.

Summary Consolidated Financial Data, page 15

7. Your disclosure on page F-25 indicates that as of December 31, 2020, 14,710,802

ordinary shares and the corresponding unrecognized share-based compensation of $\ensuremath{\mathsf{RMB}}$

39,205 will be amortized over the service periods of the award when the IPO is probable.

Please clarify the amount that will be recognized immediately upon the effectiveness of

your IPO. Tell us what consideration you gave to presenting pro forma Net Loss Per

Share including this compensation expense as well as the compensation expense related to $% \left(1\right) =\left(1\right) +\left(1\right) +\left$

your 2020 option incentive plan that will be recognized upon the effectiveness of your

IPO, described on page F-25. Please also disclose the unrecognized compensation $% \left(1\right) =\left(1\right) +\left(1\right) +\left($

 $% \left(1\right) =\left(1\right) \left(1\right)$ expense related to these awards that will be recognized in future periods upon satisfaction

of the service condition.

Risk Factors

We generate a substantial portion of our revenue..., page 34

8. Please identify the customer that accounted for more than 10% of your revenues for the

years ended December 31, 2019 and 2020 and describe the material terms

this agreement including the term and any material termination provisions. Also, quantify $% \left(1\right) =\left(1\right) +\left(1\right) +$

the number of products that generate a substantial portion of your revenues.

Risks Related to Doing Business in China, page 41

9. Given the Chinese government s significant oversight and discretion over the conduct of

your business, please revise to separately highlight the risk that the Chinese government

 $% \left(1\right) =\left(1\right) \left(1\right)$ may intervene or influence your operations at any time, which could result in a material

change in your operations and/or the value of your ADSs. Also, given recent statements $% \left(1\right) =\left(1\right) +\left(1\right) +\left($

by the Chinese government indicating an intent to exert more oversight and control over

offerings that are conducted overseas and/or foreign investment in China-based issuers, $% \left(1\right) =\left(1\right) +\left(1\right) +\left($

acknowledge the risk that any such action could significantly limit or completely hinder

your ability to offer or continue to offer securities to investors and cause the value of such

securities to significantly decline or be worthless.

10. In light of recent events indicating greater oversight by the Cyberspace Administration of

China over data security, particularly for companies seeking to list on a foreign exchange,

 $% \left(1\right) =\left(1\right) +\left(1\right) +\left($

offering and to what extent you believe that you are compliant with the regulations or

policies that have been issued by the CAC to date.

Capitalization, page 63

11. Please clarify if this presentation reflects the reorganization that you completed in 2021

and the other financing transactions described on page 150. If not, tell us how you

 $\bar{\mbox{\sc considered}}$ including the pro forma effects of these transactions in this presentation.

Please also tell us how you considered including pro forma financial statements to reflect

these transactions.

Key Factors Affecting Our Results of Operations, page 71

12. Tell us whether management uses any metrics such as expansion or retention rates to

 $\,$ measure your ability to retain and grow existing customers. If so, please revise to include

a quantified discussion of such measures and discuss any significant

fluctuations. Also, disclose the number of your customers for the periods presented. Refer to SEC Release No. 33-10751. Management's Discussion and Analysis of Financial Condition and Results of Operations Overview, page 71 You disclose that you recognized revenue on over 3,500 shipped LiDAR units in the first half of 2021 as compared to approximately 700 shipped units in the first half of 2020. Please clarify why you include this information when you don include any other financial information for the first half of 2021 and the correlation with revenue, gross margin and operating income for the period is not understood. Impact of the COVID-19 Pandemic, page 73 14. Please provide a balanced discussion of the impacts of the COVID-19 pandemic, including any positive impacts on your operating results for the periods presented, and any uncertainties with maintaining these trends. In this regard, your disclosure on page 77 indicates that your revenue increased in 2020, in part, due to the increased sales of laserbased oxygen sensors for ventilators to hospitals as a result of the COVID-19 pandemic. Key Components of Results of Operations Cost of Revenues, page 74 Your disclosure on page F-32 states that under a settlement agreement you agreed to pay a one-off settlement and royalty fee of RMB 160,098. Please clarify the portion of this settlement attributable to royalty fees related to 2020 and 2019 sales, if any, and how you considered including these amounts in cost of sales. Your disclosure on page F-32 states that under the settlement agreement you agreed to pay a variable annual royalty fee through 2030 based on a tiered percentage of sales, subject to a minimum amount each year. Please describe the percentages applicable to your tiered sales and the minimum amount payable annually. Business Our Strengths, page 102 We note that you have entered into cooperation agreements with Li Auto, Lotus, and Baidu Netcom Science Technology Co., among others. Please revise to provide a

discussion of the material terms of your cooperation agreements, including the term and

any material termination provisions.

Regulation

Regulations Relating to Foreign Investment

Foreign Investment Industrial Policy, page 121

You disclose that any industry not listed in the Negative List 2020 is a permitted industry

and generally open to foreign investment unless specifically prohibited or restricted by

PRC laws and regulations. Please clarify whether you consider the industry in which you

operate to be excluded from the Negative List 2020 and not otherwise restricted to foreign

investment by PRC laws regulations. Disclose the factors you considered in making this

determination, whether there are any uncertainties with respect to this determination and

the related impacts.
Related Party Transactions
Other Related Party Transactions, page 141

19. Please describe the material terms of the business cooperation agreement with Beijing

Baidu Netcom Science Technology Co., Ltd. Refer to Item 7.B. of Form

Shareholders Agreement, page 141

20. We note that in May 2021 you entered into a series of agreements with certain investors

that provided "...registration rights, information and inspection rights, right of first refusal,

 $% \left(1\right) =\left(1\right) +\left(1\right) +\left($

provisions governing our board of directors and other corporate governance matters."

Please describe each of these agreements and identify the related parties that are parties to

these agreements and the basis on which they are related parties.

Refer to Item 7.B. of

Form 20-F.

Consolidated Financial Statements - Hesai Technology Co., Ltd.

Notes to Consolidated Financial Statements, page F-7

21. Tell us how you considered providing a reconciliation of the changes in your warranty

liability for each period presented, including the information required by ASC 460-10-50- $\,$

8.

22. We note your disclosure on page 86 that your wholly foreign-owned subsidiaries in China

are permitted to pay dividends to you only out of their retained earnings, if any, as

determined in accordance with PRC accounting standards and regulations. Please disclose $\,$

 $\bar{\ }$ the nature of any restrictions on the ability of your subsidiaries to transfer funds to you

through intercompany loans, advances or cash dividends. Disclose the dollar amount of $% \left(1\right) =\left(1\right) +\left(1$

restricted net assets as of the end of the most recent fiscal year. Refer to Rule $4-08\,(e)\,(3)$ of

Regulation S-X. Please also tell us how you considered including parent-only financial

statements. Refer to Rule 5-04 of Regulation S-X.

12. Redeemable Preferred Equity, page F-19

23. Clarify whether the original terms of your redeemable preferred equity included

conversion options and whether the conversion that took place on August 1, $2020\ \mathrm{was}$

consistent with these terms. Otherwise, tell us how you considered whether this

conversion represented a modification or extinguishment. Tell us the authoritative $% \left(1\right) =\left(1\right) \left(1\right) +\left(1\right) \left(1\right) \left(1\right) +\left(1\right) \left(1\right) \left($

accounting literature upon which you relied in accounting for the conversion.

16. Share Based Compensation, page F-25

24. When your preliminary IPO price is known, please provide us with a breakdown of all

equity awards granted from $\sin x$ month before the date of this letter and leading up to the

preliminary pricing of your IPO. This breakdown should list grants in chronological order $\,$

including the fair value of the underlying common stock used to value such awards as $% \left(1\right) =\left(1\right) +\left(1\right$

determined by your board of directors. Please reconcile and explain the differences $% \left(1\right) =\left(1\right) +\left(1\right)$

between the fair values of the underlying equity interest determined on each grant date, $% \left(1\right) =\left(1\right) \left(1\right) +\left(1\right) \left(1\right) \left(1\right) +\left(1\right) \left(1$

including the difference between the most recent grant date fair value and the midpoint of

your offering range. In addition, your disclosure should fully describe the assumptions

utilized at the IPO valuation date that are significantly different than

those used in the most recent valuation. General

25. Please supplementally provide us with copies of all written communications, as defined in

Rule 405 under the Securities Act, that you, or anyone authorized to do so on your behalf,

present to potential investors in reliance on Section $5\left(d\right)$ of the Securities Act, whether or

not they retain copies of the communication.

You may contact Laura Veator, Senior Staff Accountant, at (202) 551-3716 or Stephen

Krikorian, Accounting Branch Chief, at (202) 551-3488 if you have questions regarding

comments on the financial statements and related matters. Please contact Matthew Derby, Staff $\,$

Attorney, at (202) 551-3334 or Jeff Kauten, Staff Attorney, at (202) 551-3447 with any other questions.
